EXPERIENCE THE WEEKENDS

at the Theatre: Have a fun night out with friends! Celebrate any special occasion... birthday, pre-wedding, or anniversary!

Since 2007, Riverside Theatre has showcased some of the funniest professional comedians touring the comedy circuit with its Comedy Zone presentations. From those once-a-month, one-night events, Riverside Theatre has grown its Comedy Zone/Nightlife presentations to twice a month from April through December. A few years back, Riverside added an outside grill and outdoor stage with free performances from talented, local musicians to enhance a full night of entertainment.

Nightlife's popularity continued to grow when themed weekend experiences were developed. Summer Nights includes summer outdoor games for the entire family while Vegas Nights transforms the Riverside lobby into a gaming area with proceeds benefiting children's theatre programming. With a new outdoor food pavilion opening in July, Riverside Theatre's Nightlife experiences are the perfect destination for the whole family.

Michael Marsh & Daughters Trinity & Serenity

A FUNDRAISER TO PROVIDE **SCHOLARSHIPS FOR CHILDREN AT RIVERSIDE THEATRE**

In 1980, a group of dedicated parents created the opportunity of offering the children of this community a chance to see, and hopefully, develop an appreciation of the performing arts. Through classes, productions, camps, and touring troupes, Riverside's theatre education programs have grown in scope and reach in the last 37 years.

Last year over 15,000 children from the Treasure Coast took part or were entertained through one of these programs. Wanting everyone to have access to the performing arts, Riverside Theatre offers incentives and scholarships to all children so they can develop the star from within.

Vegas Nights serves as a major fundraiser for the scholarship program at Riverside Theatre. For the entire month of July, Riverside's lobby is transformed into an exciting Las Vegas-style casino with slot machines, blackjack and craps tables, and even Poker. On Saturday, July 8th, a special Texas Hold 'Em Tournament will be held.

Michael Marsh (*left*), a parent with two daughters enrolled in the scholarship program, shares his experience:

How did you hear about Riverside's classes?
My daughters wanted to be involved in dance so I looked round to see who offered programs my girls would enjoy. I was on the beach when I thought of Riverside and looked into what was being offered. I got more information about the programs and asked about payment information.

Did you hear about our scholarship program when reviewing our classes?
I had no idea that scholarships existed. Once I knew the programs were good for my daughters, I asked questions.

How has having the scholarship helped?
It has given me the chance to give my children options that otherwise I would not be able to afford. I am a single dad supporting two wonderful girls and I am trying to do everything I can for them. I am so lucky to have the full scholarship for my daughters. They enjoy coming to dance every week and look forward to it. It has taken a huge burden off me. It is wonderful to know that various degrees of scholarships are available for every child. Help is always appreciated when you want to give your children everything.

What were some of the things that you needed to do for the scholarship?
One of the things that I needed to do was volunteer some time at Festival of Trees, which was a great time. Volunteering was easy and it gave me a chance to give my children some wonderful options. I wish that I could do more for what it has given to my daughters.

Scholarships allow children to take Workshops & Classes, participate in Shows, & More!

"The confidence the Riverside Theatre educational program has given my child for public speaking is priceless. The values taught by live theatre cannot be truly matched in any other discipline. Kids exposed to this program learn to work as a team, to be reliable, and to be leaders. They all learn that they are essential to the success of the show and they take this responsibility very seriously."

Allen D. Cornell, Producing Artistic Director/CEO

Producing high quality theatre is a very expensive endeavor. To keep ticket prices as low as possible, the Theatre relies on individual Membership support (donations beyond the cost of tickets) to fund operations: the routine costs of running a business, such as staff, utilities, janitorial/cleaning, etc.

Please contribute to Membership today.

This summer come with us and you'll be in a world of pure imagination! I love the works of Roald Dahl. There's a quirky sense of humor and imagination in his work that kids have related to for decades. His stories are not afraid of being weird or scary and stand apart from usual children's fare because of this. This show also resonates even more after the passing of Gene Wilder last year. It's nice to be able to carry on his legacy in our small way through these productions. This will be a bright and colorful way to kick off our summer, so we are thrilled to offer a golden ticket to our audiences to come and visit our factory this June!

PETER AND THE STAR CATCHER

ON THE STARK STAGE
JULY 21 1:30 & 7:30P & JULY 22 1:30 & 5:30P

This inventive new play debuted on Broadway in 2012 with a script written by Rick Elise, and won 5 Tony Awards. The story tells of adventure on the high seas and on the faraway Mollusk Island. An orphan boy named Peter and his mysterious new friend, Molly, overcome bands of pirates and thieves in their quest to keep a magical secret safe and save the world from evil. This workshop production is an incredible opportunity for our older students to work on a newer work, and to also get experience with a play as opposed to a musical, and the chance to work on the Stark Stage is a rare experience for the students. The actors portray multiple characters throughout, with over 100 characters in total! This is a very challenging play and I hope you come to appreciate the talents of our older students this July!

SCHOOLSICALS!

Schoolsical returns for the 2017-2018 school year with Disney's *Winnie the Pooh KIDS*. This after school theatre outreach program was created in 2008 as a way to rehearse a show onsite at select schools, with final tech rehearsals and performances happening on the Anne Morton stage at Riverside. For this new iteration of the program, our hope is to offer it to up to eight local schools.

If you are affiliated with an elementary school and would like to discover how we can come to you, contact Director of Theatre Education Kevin Quillinan at KevinQ@riversidetheatre.com.

THEATRE FOR YOUNG AUDIENCES (TYA) PERFORMANCE

Leo is just like any kid. He likes to draw, make snacks, and have fun. The only problem with Leo is that he is a ghost and most people can't see him. When a new family moves into Leo's home, he attempts to welcome them, but scared, they want nothing to do with him and he is forced to leave. Invisible and lonely, he meets Jane, a kid with tremendous imagination and an open heart who invites him to play. And that's when their friendship and fun-filled adventures begin. *Leo, A Ghost Story* is an enchanting new musical the whole family will enjoy.
