THE PERFECT NIGHTLIFE EXPERIENCE

Born in Miami, Ken Gustafson spent his early formative years listening to a wide variety of music and began his musical training at the age of 5 on the accordion. At the age of 8, he sang with the American Boys Choir and traveled throughout Europe. When Ken reached the age of 16, he began playing piano professionally with a variety of ensembles and performed many different musical styles. After high school, Ken earned a degree from the University of Miami and performed limited engagements with performers Shudra, Ben E. King, Sam and Dave, and Connie Francis, along with several local artists and bands. Seeking further challenge, Ken was hired by Howl at the Moon to be an entertainer in their all-request,

multi-genre, duelling piano, live entertainment format. He quickly rose to the level of Entertainment Director for the company.

On top of his vocal and piano abilities, Ken also added drum set, bass guitar, and acoustic and electric guitar to his skills. Ken became a pillar of the Howl at the Moon Company and went on to assist in opening several stores in America (Baltimore, Boston, Kansas City, New Orleans, Charlotte, Milwaukee, Orlando, Tampa, and Ft. Lauderdale) and in Europe. Ken has also trained several entertainers for careers in the music industry.

Ken was the Entertainment Director of Howl at the Moon on Bourbon Street in New Orleans when Hurricane Katrina devastated the city and Ken's home and most of his belongings. Ken moved his family to Orlando to start over in 2006. Since that time, Ken has earned a Master's Degree in music at the University of Central Florida and continued to produce, perform, and write his own original material. Ken is also currently an adjunct faculty member at Daytona State University.

Vegas Nights returns for the fourth year in a row as a summer-time fundraiser for Riverside Theatre's Education Division. For four weekends in July, the Theatre's lobby is filled with black-jack, craps and roulette tables along with slot machines and poker areas. Patrons can purchase 'casino dollars' to play the games then cash-in their winnings for a chance to win some great prizes.

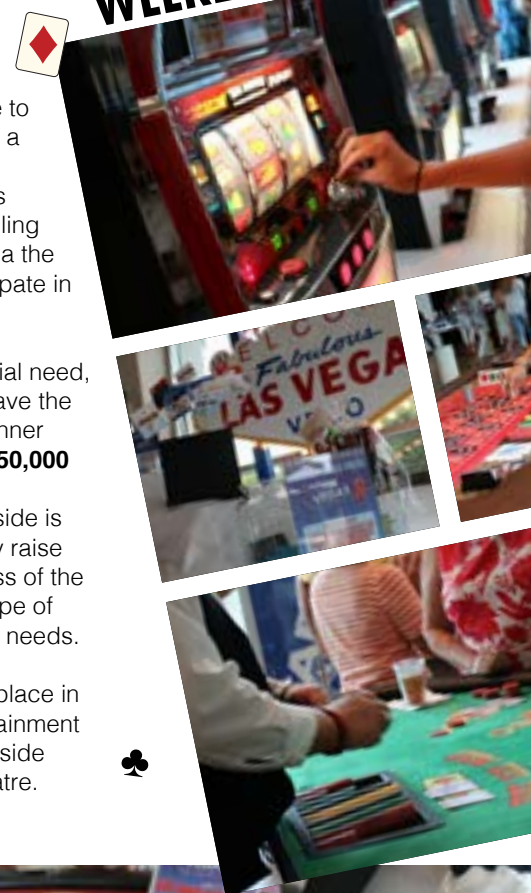

"We experienced great success with Vegas Nights last summer," said Jon Moses, Managing Director of Riverside Theatre. "People really enjoyed the different activities offered. We hope people return and

enjoy as we continue to make each weekend a fun experience." Proceeds go towards discount tuition enabling every child in the area the opportunity to participate in classes and camps throughout the year.

Regardless of financial need, every child should have the chance to find their inner star. **In 2017, over \$50,000 was awarded to 78 students**, and Riverside is continuing to actively raise community awareness of the program, with the hope of identifying additional needs.

While gaming takes place in the lobby, live entertainment will be showcased inside and outside the Theatre.

The right care. Right here.

"I'm so glad I chose the Welsh Heart Center for my valve replacement."

—Tom Frederickson | Boat captain

Tom Frederickson didn't know that the Welsh Heart Center at Indian River Medical Center was one of the best heart hospitals around. He just knew that he needed a heart valve replacement. Here, doctors performed his valve replacement with a minimally invasive procedure that used an incision that was less than an inch long. That made Tom's recovery quicker and much more comfortable so he could get right back to work. Tom now understands why the Welsh Heart Center is consistently ranked as one of the top cardiac surgery programs by the Society of Thoracic Surgeons. At Indian River Medical Center, we're with you for life.

Star Suites

BY RIVERSIDE THEATRE

PROGRESS REPORT

Star Suites Actor's Village & Hotel

View from the Club House looking down the central courtyard.

Progress continues at Star Suites by Riverside Theatre. The 80 one-bedroom suite facility is an enterprise primarily created to accommodate out-of-town actors, designers, directors and artists that work or perform at Riverside. The complex will include three two-story buildings overlooking a center courtyard, a clubhouse with a gym, a garden terrace for outside gatherings and an outdoor pool.

As seen in the picture above, the first floor exterior walls are being erected with the second floor soon to follow. It is anticipated that interior work will commence by the end of June with completion of the project slated for December 2018. In seasons

past, Riverside had leased up to 25 apartments in the area on a year-round basis to accommodate the visiting artists. With annual rental costs continuing to escalate rapidly, Riverside had been looking for a permanent solution to cover the Theatre's needs of over 10,000 room nights every year. Envisioning a fully operational hotel, Jon Moore, Managing Director, recruited Keith Kille, a longtime supporter of Riverside and owner of Kille Properties, to provide the Theatre with his expertise in developing the project that will help the Theatre's growing needs. Allan D. Connell, Producing Artistic Director of Riverside Theatre, stated, "Riverside is truly

fortunate to have a Board of Trustees with not only the expertise to plan a project of this scale, but, also, the fundraising commitment to bring it to reality."

During select times when rooms are not being used by artists, they will be made available to the public. Star Suites by Riverside Theatre is located on the corner of Aviation Boulevard and Flight Safety Drive, adjacent to Historic Dockyard and less than a mile from the Vero Beach Regional Airport Terminal. LLW Architects, Inc. of Memphis is the architectural firm that designed the facility with Kimley-Horn serving as the civil engineers and Proctor Construction as the construction manager.

SCHOOLSICAL

OCT 26-28, NOV 2-4
MAR 8-10, 15-17

Our very popular Schoolsical program will return in the fall with Disney's *The Lion King KIDS*. This is an afterschool residency program that has our professional staff working with students at local schools and youth groups to rehearse their show on site for 6 weeks before bringing them to Riverside Theatre for a final tech rehearsal in our facilities. The shows take place in the Anne Morton Theatre. Each school gets two performances: one evening show and one matinee show. Depending on the school's schedule, a teacher or principal may request a performance in the Fall or Spring. In the 10 years we've been doing this program, over 1000 students have participated, with many of them getting their first chance to perform ever. Disney's *Lion King KIDS* will rehearse on Tuesdays and Thursdays at your school in either the fall or the spring. Our goal for the next school year is to offer this residency to even more schools in the Indian River School District, especially ones that have never hosted this program before.

JUNE 29, 2:00 & 7:00P & JUNE 30, 2:00 & 5:30P

This summer we are premiering the show *Madagascar JR* with two different groups of students: one with younger students and one production for the older. Based on the popular animated film, these are each two week long camps which culminate in a full performance. And this year, for the first time, these shows will be performed on the Stark Stage! Don't miss this incredible opportunity to see talented local students get the rare opportunity to perform in a professional space while learning everything it takes to put on an entertaining musical!

ON THE STARK STAGE

JULY 21 2:00 & 7:00P & JULY 22 2:00 & 5:30P

This July our teens will get a chance to stretch their musical theatre skills with the breathtaking musical *Once On This Island*. A Caribbean set version of the *Little Mermaid*, this tale includes songs by the award winning team of Flaherty and Ahrens, the pair responsible for hit shows such as *Seussical*, *Anastasia*, and *Ragtime*. Currently playing on Broadway in a hit revival, *Once on This Island* will be a fantastic showcase of the amazing talents of our older students.

The extremely popular Rascals camp is back with two different weeks of exciting performances! In just one week, students will learn a variety of songs that they will perform as part of a musical revue... and this year it all takes place on the Stark Stage! One week will focus on learning current pop songs in the child-friendly style of Kidz Bop, while the second Rascals will use songs from a variety of Broadway shows. Bring the whole family to this summertime camp performance!
